

Dear Parents,

Welcome to the Children of Hope Ministry!

Children of Hope is the Church hard at work. Too often people refer to children as the “church of tomorrow,” the church of the next generation. I passionately disagree. Children of Hope is the church of today, the “church of right now,” where children are being equipped to make a difference for Jesus Christ right now! When we are successful, the difference isn’t measured in lives, but quite possibly in generations. I believe that together, we can make an impact that will change our community—one precious life at a time.

More than ever before, Children of Hope is passionately pursuing the vision and direction of New Hope Las Vegas Christian Fellowship! We are to love, teach, and reach the children by having them become unified in community, growing in faith, and learning how to multiply themselves in others. More than ever before, we are partnering with families to help parents find success in their efforts as spiritual leaders.

Thank you for partnering with us to serve the children of New Hope Las Vegas.

Sincerely,

Lisa Miyoshi
